What is **JOCO WORKS**?

JOCO WORKS is an industry-led collaborative supported by education, business, civic, and government partners created to meet the Johnston County, North Carolina **workforce needs** of the future. The collaborative will culminate in a curriculum and experienced-based career exposition specifically for 8th grade students. **JOCO WORKS** will present real-world simulations of available career options and students will have the opportunity to explore exciting career paths. Each hands-on exhibit will be presented by top employers in our region. Each career path will include sample occupations, general education requirements, and average salaries within the industry. By attending **JOCO WORKS**, students will learn how to begin building a meaningful career at the beginning of high school.

Who are the **JOCO WORKS** partners?

The **JOCO WORKS** collaborative partners include: Benson Chamber of Commerce · Clayton Chamber of Commerce · Johnston Community College · Johnston County Public Schools · Johnston County Economic Development · Neuse Charter School · Towns of Johnston County · Triangle East Chamber of Commerce. **JOCO WORKS** is an affiliate of the Triangle East Economic Development Foundation 501(c)3.

When is the **JOCO WORKS** expo?

The **JOCO WORKS: A World of Workforce Opportunities** is slated for **October 13-14, 2020** at Johnston Community College. All Johnston County 8th grade students (3,500+) will attend the expo. Additional grades and community members will be invited as well. Details are available at www.jocoworks.net.

Why sponsor **JOCO WORKS**?

JOCO WORKS is a huge endeavor, but one we believe will provide Johnston County industries a talent pipeline. As a sponsor, you will have the opportunity to **reach up to 4,000 future workers**. Each level provides your company with recognition exposure in publications and on the web site. This event will make an impact on students, administrators, parents and legislators, as well as your own industry. With your help and sponsorship, **JOCO WORKS** will send the message to students that there are many career choices with various education paths and now is the time to begin their journey.
