

JOCO WORKS Gamification

Introduction

JOCO WORKS is excited to present a variety of career opportunities for you to consider. While you are exploring your options you can earn points by finding the hidden World icon, watching videos, completing games/activities, completing quizzes, downloading documents, and more. Students who earn the most points will win prizes.

The contest will end at 11:59pm on March 31, 2021.

Rules

JOCO WORKS will award prizes to the top students with the highest cumulative points. Points will be earned by engaging in the virtual activities throughout the expo. Actions and point values are listed below. You must complete each activity to earn the points. The more Worlds you explore and the more activities you complete, the more points you earn.
